MEMBERSHIP CHANGES OF THE ALL-UNION MINERALOGICAL SOCIETY IN 1949

S. P. Solov'yev
 Scientific Secretary

In 1949, the membership of the All-Union Mineralogical Society increased considerably. The following were accepted as active members:

Yu. M. Abramovich, Candidate of Geologico-Mineralogical Sciences, Molotov State University; Anikeyeva-Voronova, Senior Scientific Collaborator, All-Union Geological Institute; A. N. Batalov, Docent, Institute of Geology, Uzbek Academy of Sciences; L. K. Bogomilova, Candidate of Geologico-Mineralogical Sciences, Molotov State University; V. K. Voskresenskiy, Candidate of Geologico-Mineralogical Sciences, Ukrainian Affiliate, Academy of Sciences USSR; G. L. Vazbutskiy, Candidate of Geologico-Mineralogical Sciences; V. S. Gluzunov, Candidate of Geologico-Mineralogical Sciences, All-Union Geological Institute; N. F. Goncharik, Senior Scientific Collaborator, All-Union Geological Institute; N. P. Yermakov, Candidate of Geologico-Mineralogical Sciences, L'vov State University; A. I. Zhilina, Doctor, Professor, Gor'kiy Industrial Institute; L. V. Kachina, Senior Scientific Collaborator, "Geonerudtrest," Geological Non-Ore Minerals Trust; V. I. Kuznetsov, Candidate of Geologico-Mineralogical Sciences, L'vov Polytechnical Institute; A. S. Kampan, Candidate of Geologico-Mineralogical Sciences, All-Union Geological Institute; Ye. K. Lazarenko, Doctor, Professor, L'vov State University; V. A. Makhnin, geologist, Ukrainian Geological Administration; L. M. Miropol'skiy, Honored Scientist, Doctor of Geologico-Mineralogical Sciences, Kazan State University; V. A. Mokiyevskiy, Candidate of Geologico-Mineralogical Sciences, Leningrad Mining Institute; A. N. Oborina, Assistant, Molotov State University; A. T. Suslov, Candidate of Geologico-Mineralogical Sciences, Institute of Geological Sciences, Academy of Sciences USSR; R. B. Rubel', Senior Instructor, Sverdlovsk Pedagogical Institute; P. S. Chakhurskiy, Mining Engineer, Leningrad Mining Institute; N. N. Sheftal', Candidate of Geologico-Mineralogical Sciences, Institute of Crystallography, Academy of Sciences USSR; D. I. Shcherbakov, Corresponding member of the Academy of Sciences USSR, Institute of Geological Sciences, Academy of Sciences USSR; I. I. Yakovleva, Candidate of Geologico-Mineralogical Sciences, Sverdlovsk State University.

In addition to the persons listed above, the following scientific workers, who are actively participating in the work of the Moscow Department of the All-Union Mineralogical Society (the Society now has two large departments, the Ural and the Moscow, the latter having been organized 22 November 1949), have become active members of the Society:

A. A. Amiraslanov, Director of Geologico-Mineralogical Sciences, Ministry of Metallurgy; G. D. Afanas'yev, Doctor of Geologico-Mineralogical Sciences, Institute of Geological Sciences, Academy of Sciences USSR; G. P. Barsanov, Doctor of Geologico-Mineralogical Sciences, Mineralogical Museum, Academy of Sciences USSR; F. S. Berushteyn, Candidate of Geologico-Mineralogical Sciences, "NIGRIZoloto"-Scientific Research and Mining Institute for Gold Prospecting; M. B. Borodayevskaya, Doctor of Geologico-Mineralogical Sciences, "NIGRIZoloto"; V. Ye. Boytsov, geologist, Moscow Institute of Non-Ferrous Metallurgy and Gold imeni Kalinin; F. N. Vol'fson, Doctor of Geologico-Mineralogical Sciences, "Mintsvetmetzoloto" Ministry of Non-Ferrous Metals and Gold; K. A. Vlasov, Doctor of Geologico-Mineralogical Sciences, Academy of Sciences USSR; V. I. Ger-asimovskiy, Doctor of Geologico-Mineralogical Sciences, "VIMS" All-Union Institute of Mineral Resources; N. I. Ginzburg, Candidate of Geologico-Mineralogical Sciences; Ya. D. Gotman, Doctor of Geologico-Mineralogical Sciences; A. V. Gulyayeva, Senior Scientific Collaborator, "VIMS"; V. I. Danchev, Senior Scientific Collaborator, Institute of Geological Sciences, Academy of Sciences USSR; A. N. Zherdeyeva, Candidate of Geologico-Mineralogical Sciences, Institute of Geological Sciences, Academy of Sciences USSR; A. D. Kalenov, Candidate of Geologico-Mineralogical Sciences, State Research Institute of Rare Metals; P. V. Kalinin, Docent, Moscow Geological Prospecting Institute; Ye. V. Kop-chanova, Senior Scientific Collaborator; V. A. Kornetova, geologist; V. G. Kur-glova, Candidate of Geologico-Mineralogical Sciences; N. K. Lashova, Scientific Collaborator, Mineralogical Museum, Academy of Sciences, USSR; M. A. Litvin, Senior Scientific Collaborator; M. G. Markin, Senior Scientific Collaborator; A. A. Menyaylov, Candidate of Geologico-Mineralogical Sciences, Laboratory of Volcanology, Academy of Sciences USSR; Ye. A. Nechayeva, Senior Scientific Collaborator; N. V. Petrovskaya, Candidate of Geologico-Mineralogical Sciences, "NIGRIZoloto"; G. I. Petrov, geologist, State Research Institute of Rare Metals; S. D. Popov, Candidate of Geologico-Mineralogical Sciences, Institute of Geological Sciences, Academy of Sciences USSR; I. A. Preobrazhenskiy, Doctor of Geologico-Mineralogical Sciences, Institute of Geological Sciences, Academy of Sciences USSR; I. A. Pudovkina, Senior Scientific Collaborator; Ye. G. Razmnaya, Senior Scientific Collaborator, "VIMS"; Ye. V. Rozhkova, Professor, Doctor of Geologico-Mineralogical Sciences; S. G. Sarkisyan, Professor, Doctor of Geologico-Mineralogical Sciences, Petroleum Institute, Academy of Sciences USSR; Ye. S. Sinegub, Junior Scientific Collaborator, Scientific Research Section, Moscow Geological Prospecting Institute; M. V. Soboleva, Senior Scientific Collaborator; N. G. Sumin, Candidate of Geologico-Mineralogical Sciences, Mineralogical Mu-seum, Academy of Sciences USSR; F. V. Syromyatnikov, Professor, Candidate of Geologico-Mineralogical Sciences; V. I. Sobolevskiy, Candidate of Geologico-Mineralogical Sciences; M. F. Strelkin, Candidate of Geologico-Mineralogical Sciences; L. V. Tauson, geologist; I. G. Chentsov, Candidate of Geologico-Mineralogical Sciences, Institute of Geological Sciences, Academy of Sciences USSR; V. P. Cher-evik, Candidate of Geologico-Mineralogical Sciences, Moscow State University; S. D. Chetverikov, Candidate of Geologico-Mineralogical Sciences, Moscow State University; L. L. Shilin, Candidate of Geologico-Mineralogical Sciences, Mineralogical Museum, Academy of Sciences USSR; T. N. Shadun, Candidate of Geologico-Mineralogical Sciences, Institute of Geological Sciences, Academy of Sciences USSR; A. A. Yakovlev, Professor, Academy of Pedagogical Sciences.

The following members of the Society died during 1949;

K. N. Ozerov, Doctor of Geologico-Mineralogical Sciences, Professor, Leningrad State University; I. K. Nikitin, Candidate of Geologico-Mineralogical Sciences, Docent, Chair of Petrography, Leningrad Mining Institute; N. G. Kassin, Doctor of Geologico-Mineralogical Sciences, Laureate of the Stalin Prize, Active

Member of the Academy of Sciences of the Kazakh SSR, member of the council of the All-Union Mineralogical Society; S. F. Mashkovtsev; V. I. Luchitskiy, Professor, Doctor of Geologico-Mineralogical Sciences, active member of the Academy of Sciences of the Ukrainian SSR; M. E. Yanishevskiy, honored Scientist, Professor, Leningrad State University; A. Lakura, French scientist and honorary member of the society, also died in 1949.

In connection with the death of N. G. Kassin, the Council of the Society elected to the Council N. K. Morzenko, Doctor of Geologico-Mineralogical Sciences. The Council now includes: (1) Academician A. N. Zavaritskiy, Chairman; (2) V. A. Nikolayev, corresponding member of the Academy of Sciences USSR, Vice-Chairman; (3) S. P. Solov'yev, Doctor of Geologico-Mineralogical Sciences, Scientific Secretary; (4) Academician A. A. Polkanov, (5) K. N. Paffengol'ts, active member of the Academy of Sciences of the Armenian SSR; (6) I. I. Gorskiy, corresponding member of the Academy of Sciences USSR; (7) D. P. Grigor'yev, Doctor of Geologico-Mineralogical Sciences; and (8) N. K. Morzenko, Doctor of Geologico-Mineralogical Sciences. The Council also includes Ye. N. Fursenko, who was elected treasurer of the All-Union Mineralogical Society on 12 November 1949 to replace Yu. A. Arapov, who left Leningrad.

On 18 January 1950 the Mineralogical Society by decision of a commission composed of active members D. P. Grigor'yev, V. A. Nikolayev and I. I. Shafranovskiy awarded a medal of honor to V. S. Soholev, Doctor of Geologico-Mineralogical Sciences and Professor at Lvov University, for his valuable work, "Introduction into the Mineralogy of Silicates," published in 1949.

On 26 November 1949 the Council of the All-Union Mineralogical Society met jointly with representatives of the Department of Geologico-Geographical Sciences of the Academy of Sciences USSR to approve an organization committee which is to convoke an All-Union Conference of Members of the Mineralogical Society in 1950. Simultaneously, it will call an All-Union Conference on Mineralogy, Geochemistry and Petrography, the latter conference to include the following: A. N. Zavaritskiy, Chairman, K. A. Vlasov, Vice-Chairman, G. D. Afanas'ev, G. P. Barsanov, D. S. Belyankin, A. G. Betakhtin, G. N. Vertushkov, A. P. Vinogradov, A. I. Ginzburg, D. P. Grigor'yev, G. S. Gritsayenko, A. D. Yershov, S. M. Kurbatov, Ye. K. Lazarenko, K. K. Matveyev, L. M. Miropol'skiy, N. K. Morzenko, V. A. Nikolayev, A. A. Saukov, I. D. Sedletskiy, V. I. Smirnov, G. A. Sokolov, S. P. Solov'yev, N. N. Stulov, A. A. Tvalchrelidze, A. S. Uklonskiy, and D. I. Shcherbakov.
